

AMBA membership is free for students and graduates of AMBA-accredited Business Schools

AMBA exists to champion brilliance in Business Schools and nurture impactful graduates who will change business for the better. AMBA's network of accredited Schools has grown to more than 270 institutions in 75 countries, with over 49,000 MBA, MBM and DBA students and graduates participating in our global membership community.

Members get free access to:

- award-winning content in our complimentary digital magazine
- networking events and masterclasses
- monthly thought leadership webinars
- a vast array of career resources via our Career Development Centre and app, including CV 360 and interview simulator
- discounts and preferential rates on business books and leisure benefits through our exclusive affinity partnerships
